

## Israel Wanders in the Wilderness for 40 Years Numbers 13-14

God commanded Israel to send 12 spies into the land of Canaan. Only 2 spies, Joshua and Caleb, believed that the Children of Israel could take the land. The people did not trust in God. God was very displeased at the lack of faith in Him by His people. As punishment, God made the people wander in the wilderness for 40 years. Only Joshua, Caleb, and people 20 years old and under would be allowed to enter the Promised Land.

Help the Children of Israel as they wander through the wilderness towards the Promised Land.
