

Noah Obeys God

Genesis 6:14-9:17

God was very angry because the man that He created had become very wicked and had evil thoughts all the time. The Bible says that God "repented" that He had made man and determined to destroy him. There was one man, Noah, who found favor in God's eyes. He was good and upright. God decided to save Noah and his family from the coming destruction. God gave Noah specific instructions on what to do to be saved.

Decrypt the secret message below to determine what Noah did. Vowels have already been provided. You will need to figure out which constants map to which numbers for the message to make sense.
