

“Things God Gives Me” Instructions

This set of handwork is useful for teaching children about the blessings God gives us. It is a good companion activity when teaching about giving to God.

Cut out the pictures of “blessings” on page 3. Give the girls pictures of dresses and pink shoes and the boys pictures of shirts and green shoes. Have each child glue or tape the pictures onto the “Things God Gives Me” page. Discuss each as the children are gluing them on the page.

For non-USA countries, you may wish to search the internet for pictures of houses, etc.. that look like things your children would see.
